[From the Spanish of Luis Ponce de Leon.] The Ascension. BY WILLIAM CULLEN BRYANT. Good Shepherd, wilt thou leave

is this low vale the flock that was thy care Alone to pine and grieve, While through the purer air Thou risest up to fields forever fair? They who, supremely blest,

Until the dawn of this unhappy day, Leaned on thy loving breast, To whom on earth shall they Hearken or look when thou art far away? What comeliness or grace

Can they whose eves beheld thy beauty see In other form or face? What music will not be Harsh to the ears that harkened once to thee ! Who now upon the deep

Shall look and curb its fury? Who shall lay The stormy winds askep? What lode-star's friendly ray, When thine is hid, shall guide the vessel's way t Why change our happy state,

O, envious cloud, to helplessness and fear ! How proud of their rich freight Thy shining folds appear ! How blind and wretched thou dost leave us here!

## VARIETY.

HER REASON .- Why did she turn her back on you, young man? Innocent child! She wished to make an exhibition of her new overskirt.

Not Lady-Like.—A Dubuque girl took laud-anum because her lover sald it was not lady-like for her to kick his hat off as they stood at the SEEKING A DIVORCE.-It seems hard to see an Indianapolis woman of sixty-five seeking a divorce

because her husband wouldn't let her wear a red to want to know what is going on, and the next

strongest is to boss the job. Nor AFRAID.—A young man says that the pret-tiest girl in town wears blue-top stockings, and

she is not afraid to show them. He saw them hanging on a line in the back-yard. Ir .- The other day a Binghampton girl offered to let a countryman kiss her for five cents. " I

gad," exclaimed the bucolic youth, " that's darn cheap if a feller only had the money." AFRAID.—A lady wants to know what is the meaning of "ante" and "pass the buck." Her

matrimonial companion uses it in his dreams, and she is afraid it indicates typhoid fever! ALREADY CUT.-Marble men now make small tombstones by the quantity, with the epitaph already cut, "Didn't know it was loaded." They

leave a blank for the name and age. Good GROUNDS .- A divorce case has been instituted by a Chicago wife who complains that her husband insists upon drinking cheap whisky and eating raw onions just before bed-time.

OF COURSE .- A Missouri woman, who appl for a situation as car-driver, being asked if she could manage mules, scornfully replied: "Of course I can. I've had two husbands!"

Giggling .- Said a Missouri preacher: "There's a powerful sight of giggling back thar in the corner, and it's got to be stopped, or the Lord will delegate me to open the door and throw some one out!" It was stopped.

A KIND HUSBAND .- An Indiana man bet \$10 that he would ride the fly-wheel in a saw-mill, and as his widow paid the bet she remarked a William was a kind husband, but he didn't know much about fly-wheels."

COULDN'T TELL .- A teetotaller asked Pat, the other day, if he ever saw a tectotaller drunk. "Och," replied Pat, with great earnestness, "I've seen many a man drunk, but I couldn't tell whether he was a teetotaller or not.

SHEET MUSIC IN CHURCHES .- Rev. Mr. Candor of, Philadelphia, announces, "Let us continue our worship by listening to a piece of sheet music performed by the operatic quartet, who have been secured regardless of expense."

THEIR CALCULATION .- The Turks have calculated that, within two hundred years more, they will have conquered the world. This statement is made in all seriousness, in an Arabic newspaper, which is published under Turkish surveillance

No More.-According to a Cincinnati paper, John Thomas was recently sued by Hester Prim for breach of promise. "John Thomas, come into court !" shouted the constable. "John Thomas needn't come in to court me any more,' said Hester, primly.

Must Be.—" Why do they call the people who live in the South Sea Islands 'cannibals?" asked an old lady of a sailor. "Because they live on other people," answered the sailor. "Then my son-in-law must be a cannibal," said she, pensively, " for he lives on me."

HE DED NOT Go .- " Wife " said the victim of a jealous rib, one day, "I intend to go to the camp-meeting on Tuesday evening, to see the camp break up." "I think you won't," replied she. "I'll go, if I see fit." "You'll see fits if you go." He did not go-probably on account of the

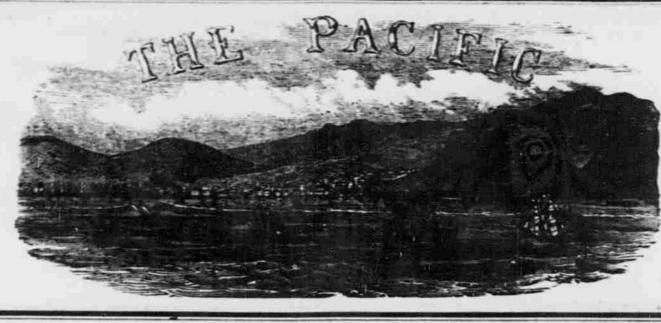

FINALLY .- Madame Ristori has finally secured the upper hand of the English language, for, if we are to credit rumor, she recently rang her bell at a botel and ordered as follows: " Vaiter, you will bring up me a beef of steak, and boiled fried potatoes with coffee; and it is not necessity for milk as I eat it not."

REFUSED .- An Illinois county clerk refused to issue a marriage license because the man was only four feet high, while the woman was six. He said he knew something about domestic life with the proportions reversed, and could not assist Homotoparthist. 63 FORT STREET. HOMOEOPATHIST. 63 FORT STREET. HOMOLULU IRON WORKS CO. a feilow man to "buy into a lottery when the odds were so fearfully against him.'

GOES INTO CONVULSIONS .- When the Duchess M PORTER AND DEALER IN DRY boy baby all she has to say, "And was it its | HIGHEST PRICE PAID FOR PULU AND HIDES! own muzzy's blessed little Albert Alexander Alfred Ernest William?" And then that overburdened infant goes into convulsions that would twist the backbone right out of a plebeian baby.

His Guess .- A grocer in Detroit keeps " a litthe brown jug," near his cider barrel, and when he wants to do the fair thing by a customer he mingles some of the contents of the aforesaid jug with the eider. He made a mingle for an old farmer, but got in a great deal of whisky and very little cider. About an hour after drinking, the farmer was observed leaning against a fence, and was heard to soliloquize: "It's too late for sunstrokes and too early to freeze to death, and I guess it's a touch of the shakin' ager."

AN INDIGNANT BOY .- A bootblack was standing near the foot of Jefferson avenue, says the Detroit Free Press, when a stranger inquired, "Bub, is it very fur from here to the post-office?" The boy look at him in contempt, and the man asked, "Say, bub, is it fur to the City Hall?"
The boy's look of disgust increased, but he kept silent, and the man raised his voice and shouted, "You boy-is it fur to the City Hall?" "Furfur to the City Hall !" echoed the boy; "if you want me to talk to you, you'd better use decent grammar or say you never went to school at

THE RIDGE HOUSE! KEALAKEKUA BAY HAWAIL THE HAWAIIAN ISLANDS ARE noted the world over for their unrivaled salubrity of climate. Certain localities in the group are especially favored in this way.—The District of Kona, on the leeward side of Hawaii, has long been famed as a place of resort for invalids with bronchital, or lung diseases. With its resort for invalids with bronchital, or lung diseases. With its pure and mild atmosphere, with its absolute freedom from storms or high winds, with its porous soil which, with all its rich vegetation, retains no dampoess and yields no malaria, and with an unvarying temperature—that of the American or Southern European June—ALL THE YEAR ROUND, the climate of Kona is one of the healthiest and most luxurious on

the globe.
